

# Transform Your Business into a **24x7** Booking Engine

Powered by  **lingo Smart API**

Invite-Only Access for Selected Partners

# Your business is growing **but so is the workload**

- ✓ Delays in pricing & availability
- ✓ Scaling requires hiring more people
- ✓ Dependency on backend coordination
- ✓ Manual quoting still consumes team time

Growth today >>> more workload tomorrow

# Travel is moving towards **real-time booking**

- ✓ Speed impacts conversions
- ✓ Customers expect instant pricing
- ✓ Websites becoming booking platforms
- ✓ Manual response = lost opportunities

The **fastest responder** wins the customer

# Introducing Bingo

## Smart Booking API
